ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments.

The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area owned by the Association and areas affecting the houses situated upon the properties.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be eighty-four Dollars (\$84.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 3% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 3% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum. As long as there is a Class B membership the Board of Directors may charge and collect a fraction of the annual assessment on each Lot until the conveyance of said Lot by Declarant to an Owner, provided that, after any conveyance of the Common Area, any such fractional charge to Declarant shall not be less than fifty percent (50%).

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 50 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast two-thirds (2/3) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 50 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, except as provided in Section 3 (c) hereof, and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the

annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessments not paid within thirty (30) days after the due date, shall bear interest from the due date at the rate of 7-1/2 percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the WESTBANK HOMEOWNERS ASSOCIATION, INC., or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Lot Owners. The Association acting on behalf of the Lot Owners shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting Owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages granted or created by the Owner of any Lot to secure the payment of monies advanced and used for the purpose of purchasing and/or improving such Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a foreclosure under such

purchase-money or improvement mortgages or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payment thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to and accepted by a local public authority; and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessment created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to the Lot Owners. All management agreements shall be made with responsible parties having experience adequate for the management of a project of this type.

ARTICLE V

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

The persons serving on the Architectural Control Committee, or their successors, shall serve for a period of ten years from the date of the appointment of the

first Architectural Control Committee, at which time the Architectural Control Committee shall resign and thereafter its duties shall be fulfilled and its powers exercised by the Board of Directors of the Association. In the event of the death or resignation of any person serving on the Architectural Control Committee, the remaining person(s) serving on the Committee shall designate a successor or successors, who shall have all of the authority and power of his or their predecessor(s). A majority of the Architectural Control Committee may designate someone serving on the Committee to act for it. No person serving on the Committee shall be entitled to compensation for services performed pursuant to this Article V. However, the Committee may employ one or more architects, engineers, attorneys, or other consultants to assist the committee in carrying out its duties hereunder; and the Association shall pay such consultants for such services as they render to the Committee.

ARTICLE VI

EXTERIOR MAINTENANCE

In the event an owner of any Lot in the Properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Lot and exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE VII

USE RESTRICTIONS

1. Said Lots shall be used for residential purposes only and no building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling not to exceed two stories in height and a private garage for not more than three (3) cars.
2. Any single story residence constructed on said Lots must have a ground floor area of not less than 1,000 square feet, exclusive of open or screened porches, terraces, drive-

3. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building set-back lines shown on the recorded plat. No side yards at the front building set-back line shall be less than 5 feet, except a three (3) foot side yard shall be permissible for a garage or other permitted accessory building located sixty (60) feet or more from the front property line. For the purpose of this covenant, eaves, steps and open porches shall not be considered as a part of the building; provided, however, that this shall not be construed to permit any portion of a building on any lot to encroach upon another lot. If two or more lots, or fractions thereof, are consolidated into the building site in conformity with the provisions of Section 4 below, these building set-back provisions shall be applied to such resultant building site as if it were one original, platted lot.

4. None of said lots shall be re-subdivided in any fashion except that any entity owning two or more adjoining lots may subdivide or consolidate such lots into building sites, with the privilege of placing or constructing improvements as permitted in Sections 2 and 3 above on each such resulting building site, provided that such subdivision or consolidation does not result in any building sites with less than fifty-five (55) feet at the front building line in WESTBANK, SECTION ONE (1).

5. Easement for the installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. No utility company, water district, political subdivision or other authorized entity using the easements herein referred to shall be liable for any damage done by them or their assigns, agents, employees, or servants, to shrubbery, trees or flowers or other property of the owner situated on the land covered by said easements.

6. No noxious or offensive activity shall be carried on upon any Lot, nor shall

anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

7. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, either temporarily or permanently.

8. No signs of any character shall be allowed on any lot except one sign of not more than five square feet advertising the property for sale or rent, provided, however, U.S. Home Corporation of Texas, and any entity similarly building in WESTBANK, SECTION ONE (1), has the right, during the construction and sales period, to construct and maintain such facilities as it determines are necessary or convenient, including, but without limitation, signs, offices, storage areas and model units.

9. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted on any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on any lot. No derrick or other structure designed for use in boring for oil, natural gas, or other minerals shall be erected, and maintained or permitted in any lot.

10. No lot shall be used or maintained as a dumping ground for rubbish or trash and no garbage or other waste shall be kept except in sanitary containers. All incinerators or other equipment for the storage and disposal of such material shall be kept in a clean and sanitary condition.

11. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that dogs, cats or other house-type pets may be kept provided that they are not kept, bred or maintained for any commercial purposes, not to exceed a total of three (3) adult animals.

12. No fence, wall, hedge or gas meter shall be placed, or permitted to remain, on any of said lots nearer to the street or streets adjoining such lot than is permitted for the main residence on such lot, except for decorative subdivision entry fences, or fencing used for enclosing community facilities installed by U.S. Home Corporation of Texas and/or WESTBANK HOMEOWNERS ASSOCIATION, INC., which are approved in accordance with Article V hereof.

13. No shrub or tree planting which obstructs sight lines at elevations between 2 and 6 feet above the roadway shall be planted or permitted to remain on any corner lot within the triangular area formed by the street property line and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight line limitations shall apply to any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstructions of such sight lines.

14. No truck, bus or trailer shall be left parked in the street in front of any lot except for construction and repair equipment while a house or houses are being built or repaired in the immediate vicinity, and no truck, bus, boat or trailer shall be parked on the driveway or any portion of the lot exposed to public view.

15. Garage doors shall be closed at all times except for immediate entry and exit.

ARTICLE VIII

Section 1. All easements and alleys for the installation and maintenance of utilities and drainage facilities are reserved as shown on the plat of WESTBANK, SECTION ONE (1). Right of use for ingress and egress shall be had at all times over any dedicated easement, and for the installation, operation, maintenance, repair or removal of any utility, together with the right to remove any obstruction that may be placed in such easement, that would constitute interference with the use, maintenance, operation or installation of such utility.

Section 2. An underground electric distribution system will be installed which shall service substantially all of the residential lots in WESTBANK, SECTION ONE (1). The owner of each lot with underground service shall, at his own cost, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of the electric company's metering on customer's structure to the point of attachment of such company's installed transformers or energized

The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. Said owner shall also, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the then current standards and specifications of the electric company) for the residence constructed on such owner's lot. For so long as underground service is maintained, the electric service to such lots shall be uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment.
